1. Always pre-treat grout and tough stains with Hoover® grout cleaner or Hoover® wipes.  
2. Shake well. Add (1) ounce of solution to each quart of hot tap water. Do not boil water.  
3. To operate your FloorMate® or Hard Floor Cleaner properly, follow the instructions in the owner's manual.

Not recommended for  
painted wood surfaces

Instrucciones

1. Siempre trate previamente las manchas de lechada y las manchas oscuras con el limpiador de lechada Hoover® o con paños Hoover®.
2. Agite bien el producto. Añada (1) onza de detergente por cada cuarto de agua caliente del grifo.
3. No hierva el agua. Para que su aparato FloorMate™ o aparato para suelos duros funcione correctamente, siga las instrucciones del Manual del propietario.

**Warnings:** Contains sulfuric acid. Do not get in eyes. If eye contact occurs, rinse eyes with water for 1 minute - remove contact lenses if present - and rinse eyes for 15 more minutes. If eye irritation persists, seek medical help. In case of emergency, call 1-800-441-4444.

**PRECAUCIÓN:** Los desinfectantes contienen surfactantes. No permita que entren en los ojos. Si entra en contacto con los ojos, irrigue con agua durante 5 minutos - retire los lentes de contacto si los hubiera - y envíelos al médico. Si respira los vapores, si la irritación de la nariz persiste, aunque haya inhalado, o si hay dificultad de respiración, llame al 050 676-676 para obtener información sobre la salud. Consulte la Hoja de Datos de Seguridad del material (MSDS) para obtener información sobre la salud.
